

With That

Young Thug

Hunnid' bands, hunnid' bands
Dropped on the head of any nigga that want it man
Pop me a xannie I'm fast, I'm so fast, I'm so faster than Sonic
man
Tru the man, Tru the man, Tru to my nigga, Tru religion, Buddha
man
My money stand tall like Ludacris afro and I swear I'm a shoot
with that
I just hit for 9 birds, what I'm a do with that?
Pull up on the curb, then you hop out and be through with that
I'm so fresh like dish detergent, if you not fresh she so throu
gh with that
If you are a nerd, everything here you not cool with that

Yes you not cool, no you not bool
I don't give no damn I'm not calling you boo
My bitch she a jewel
You can't prove a point, boy you know you so doomed
You know you so doomed
I swear I'm so lost with no clue
Don't know what to do
Over load, over load I over load on these niggas
Ain't know how to milk these cows
She made that dick rose now it be like a tower
Yaow, front pockets filled up with bands, no bowel

Pull up, hop out on the block, they tuck
And they tell I go "Who the clan?"
Dressed in all black
I'm always on the road, just like a uber man
We wrappin' and sendin' them packs
Soon as they land we movin' em
Blame it on the OG's, they influenced me on everything
Count money nigga, I ain't just made money, nigga
I put lipstick on the rari, she say that's delicious
Who that is in that Crown Vic, he look suspicious (Shhh)
I just jugged 100 pounds, I made a
