

You Said

Young Thug

So what's up with all that goddamn tough talk you had earlier on the phone,
you know what I'm saying? When you said you was gon' goddamn do this and tha
t to me when you saw me?

(freaky-deeky)

Where all that at? Oh I thought so

You got high a level of confidence, you know what I'm saying

You said you gon' fuck me to death when you see me

You said that, you said that

You said you gon' do me the worst, I remember you right when you said that

You said you gon' kiss from my neck to my chest to my naval and dick and nut
s

We talked about everything, then you know that we got us some making up

I lick on that puss on a pill, and I make her stand up like some bunny ears

I bite on her butt and I suck on her toes and her soul go outta here

She look at him like he roadkill and I turned 'round her life like I'm Dr. P
hil

Let's get freaky deeky 'round here

Say now, ooh, ooh, ooh

Say now, ooh, ooh, ooh (I want you to say now)

Say now, ooh, ooh, ooh (I want you to say now)

Say now (Jeffery!), ooh, ooh, ooh

I got the door unlocked

And I know right now she'd rather have my dick than a watch (facts)

And I'm not right about everything, but I got a strong feeling she'll take m
e a charge if we run into the narcs

And I'm seeing all your emotions, came a long way from roaches

Unwrap the birds, get to rolling

I ain't never needed nothing brodie

All full pocket, macaroni

Rose-gold AP like a token

Bought that bitch a mink, now she cozy

Rather go to jail, I ain't told 'em

I get excited when I see you

I'd rather freeze up and get shy when I see you

I'm they dream and I'm steady just strappin' our child in the rearview

If you a cool one you a real one

Let's go to Africa, to the Pilgrim

You said you gon' fuck me to death when you see me

You said that, you said that

You said you gon' do me the worst, I remember you right when you said that

You said you gon' kiss from my neck to my chest to my naval and dick and nut
s

We in my house, she wanted me to leave, where I'm gonna stay?
She hid the keys in the attic, she even tried to hide my Patek
Please stop being petty, I don't want no more spaghetti
My side bitch in the driveway, yeah
Waiting on you to leave, babe, yeah

I don't know what's on your mind frame
But I gotta go and gangbang
The streets mine so I switch lanes
You said "I won't change" (won't change)

I regret I put you up on game (regret it)
I regret I told your mama "Life would change," (momma)
Yeah, out of all the cash, I put on her
Out of all the bags, I put on her
And I said I don't brag, I don't boast
Said you'll pop the tags, I don't want 'em
And my niggas they been placed the vote
But you needed to get off the boat
I can't blame it on me I said "No"
Got her head so big it explode

You said you gon' fuck me to death when you see me
You said that, you said that
You said you gon' do me the worst, I remember you right when you said that
You said you gon' kiss from my neck to my chest to my naval and dick and nut

I smoked a whole leaf, I'm drinking codeine
I want some head and knees, I don't want no teeth
I should've called off, I'm bout to OD
In her mouth like a golf ball, my two homies
Lay it up on me, I make her squirt on the couch, eww
Private party, only broads here
We pass forty caps, no beers (got the forty capsule)
Every diamond on me crystal clear
Molly on me, baby, take it off of me (off of me)
CAT scan, white stuff on my jeans (lap dance)
Hit it from the back, loosen up her spleen
Say you mine, I'ma take it off and raw dog

You said that, you said that
