

Mudd Pit

YoungBloodz

Yeah you make me drop to my knees
Your body doesn't come with an eaz
Ima bring you down to my mudd pitt
You like it like that I'll lick your clit

Ya ya baby just relax
Damn I think you need some tic-tacs
Bringin' it down bringin' it down
You know I'm givin' ya that frown
(i look like a damn clown)

If you say stop should I keep going?
Baby ill make you scream
(for ice cream)
Ya know I like a lil head
(before we hit the bed)

Yeah you make me drop to my knees
Your body doesn't come with an eaz
Ima bring you down to my mudd pitt
You like it like that I'll lick your clit

Damn we hit it off like animals
So ya we'll do it like they do on the discovery channel..

Yeah! Yeah! busta busta
