

## Bye Outro

### Your Old Droog

If I bare my soul, how I'm gon' wear my gold?  
How I'm gon' wear this gear? And wristwear?  
And although it's gotten monotonous here  
Still steppin' in hot to this year  
Like Muhammad, I took this year  
Handle the mic like Martin Bashir  
Get my pack of Winstons, black coffee, peacoat  
And I'm outta here

Bye
