```
A view to call me an angel 'you're an angel' that's right.

I'm 'off the record', am unable to fly.

That's why.

I want to be able, to crawl along,

Wonder, unable to hold the ground.

I want to be able, to go that way.

I'm one seeking equal, this is one day.

To go forward i have to crawl.

Crawl.

Talked your way so far, wait!

Watch the passing through common frame questioning.

When I pass is it okay to crawl?
