## **Screaming Ground**

## YOURCODENAMEIS:MILO

I resent What's been said Ideas under offer Into red I object All the same You and your stupid army Are to blame Reconstruct Or disregard I'd loved to pay attention Through the shard Evacuate The lost plane And take me to the waters Of the same/Seine Now in turn Walk away Nullify, nullify Time to run Fade it slow Your time is up, time is up Even though We passed the test We'll make plans tomorrow Maybe then we'll address What is on our minds Never know a struggle Throwing March and April To the ground Screaming ground It moves your every muscle
