Perseverance
Perseverance
And she'll stretch these words across an entire country
Better than any politician a nation is captivated
She speaks softly
Did you hear that?
Listen carefully, listen carefully
Quick translate
You want to take her

By the hand and lead her through the heaviest air
Her words will float there
Blackmailed our hands are tied
Like rats running from lies
I feel better
I feel better
Quick translate
You want to take her
By the hand and lead her through the heaviest air
Her words will float there
Like rats running from her lies
