

## Toxiques

**Youssou N'Dour**

Rich countries make toxic waste  
Why should they send it to me?  
Poor countries know toxic waste  
Why should they accept it?  
When I'm in bed  
I can't stop thinking about it  
When I'm awake  
I have to warn you  
Chorus: We say it's true  
Many of the underdeveloped countries  
Are beginning to say No!
