

# Somebody's Gonna Get Their Head Kicked In!

Youth Brigade

So everybody is rockin' and everyone is feelin' alright - alright

It's all when the youth and there's soon gonna be a fight - be a fight

It says someone's gonna get their head kicked in tonight!

Everybody is rockin' and everyone just wants more - more

So there's gonna be a pool of blood on the dancin' floor - floor

Somebody's gonna get their head kicked in tonight!

We're gonna rip off the halls - rip off the walls

Tear down the walls - Tear down the wall

All those boys, gonna be a big fight

And ... take it outside

Everybody is rockin' and everyone just wants more - more

So there's gonna be a pool of blood on the dancin' floor - floor

Somebody's gonna get their head kicked in tonight!

We're gonna rip off the halls

Tear down the walls

All those boys, gonna be a big fight

And ... take it outside

Everybody is rockin' and everyone just wants more - more

So there's gonna be a pool of blood on the dancin' floor - floor

Somebody's gonna get their head

Somebody's gonna get their head

Somebody's gonna get their head kicked in tonight!
