

You Don't Understand

Youth Brigade

You don't understand the way we feel to you our lives are so un
real you hope it's just a passing fad we'll aspire to live the
lives that you never had you say that we should not complain he
ar it over and over again but you don't seem to realize how unc
ertain you've made our lives criticize everything we do chastis
e what you don't approve your life is lies we despise you can't
even look me in the eyes to you our lives are so unwise you say
that you hear everything but it's obvious you're not listening
you don't understand, you can't realize, ignorance is in your
eyes! You truth is just a point of view don't care about it or
any of you you think you've made our lives so great no generati
on ever had such a fate
