Catching & Killing

Compression, sustain, Impression, remain. I am not a guilty sentence. Well I just get up and switch it off. Separate temptations, standard frustrations. Oh, you know I look inside: There's nothing in there. All you parasites, you done schedule You solitary man, sit in your territorial machine. I need you to tell me this is wrong.

Catching and Killing No I, Feel like a winner

Tapestry in the lounge room. Talk back rejects Tell me your name A man sits at his computer, And moves infinitesimally.
