I traded it in For a new sheet of skin and tea within.

The doctors couldn't presribe Anything else from the medicine shelf Oh cure thyself.

My life's on a string
I'll do anything
to get myself back.
I hang by a thread,
oh let's go to bed
and get ourselves back.

I just lost my head. I'm falling away. The things that you say will haunt you one day.

Love's such a creepy thing
It gets under your skin
starts sticking in pins and festering.

My life's on a string
I'll do anything
To get myself back.
I hang by a thread
Oh let's go to bed
And get ourselves back.

Oh
My life's on a string
My life's on a string
My life's on a string
I'd do anything
I wanna know you ..
