

## Skeleton Jar

Youth Group

I feel like hell, you feel like dancing,  
You know this bar curtains a world.  
Those empty bottles, like sentinels,  
Stand guard in the morning sun.

Then the lights go down  
And all the people gather round  
And you feel you are a skeleton jar  
Oh yeah.

Be like the brother I never had,  
Be like a real son to my dad.  
How can you stand there and watch this  
Scene, I hate you for liking me.

Why am I so miserable if these are the best  
Years of my life goes like a train I just  
Missed out on being part of the community  
'don't go just stay with me' were all that  
They heard from me.

Love me don't leave me just stay with me  
Don't leave me I've never known another  
Who could just please me the way that you  
Please me don't go just stay with don't go  
Just stay with were all that they heard  
From me.
