

One Night Stand

Youth of Today

Every night a different town I sing my song
I play and sing pack my things and move along
A pretty face, another place I never get to know
A one night stand, another show
My guitar a railroad car a bus or plane
Chocolate bar and there you are the price of fame
If I could do what I want to, I'd stay and never go
A one night stand is all I know
I wish that I could be two people
Instead of being on my own
I wish that I could be two people
And then I'd never be alone
Photographs of where I've been and all I've done
In this whole world, is there a girl, no, not one
Goodbye, hello I've got to go I hope you understand
A one night man is all I am
A one night stand, a one night man.
