Thinking Straight

Youth of Today

Life's filled with many paths
Which one should I take ?
When the choice comes, I won't run
I'll be thinking straight !
Life's filled with conflicts... we'll face
We'll overcom them... thinking straight !
Experiment with your mind
You see things I can't see
Well no thanks, friend
Because now it ends when you push that shit on me!
My mind is free to think and see.
Strong enough to resist temptation
We've been strong for all these years
Yes, life gets rough, so we'll stand tough and confront
All our fears!
