

Great Expectation

Youthful Praise

For I know the plans that I have for you saith the Lord
And I know the thoughts that I think towards you declares the Lord

For I know the plans that I have for you saith the Lord
And I know the thoughts that I think towards you declares the Lord

Thoughts of peace, not of evil, Plans to prosper, not to harm you

Give u hope and a future Now you can have Great Expectations

Inside of me, I do believe

I have, Great Expectations
