

B World (to Bi Or Not To Bi)

Ysa Ferrer

If I choose, I will lose, I love twice it's so nice
I am just sexual, welcome to the B world.
It's a part of who I am, a part often I hide
It's not just sexual, welcome to the B world.

Let me be a B boy, let me be a B girl
Let me be a bee, flying from flower to flower, we can live together.
Let me be a B boy, let me be a B girl
Born to be a B, looking for lover and lover, we can live together.

Love is true love is complex, I want you, I want your sex.
I am just sexual, welcome to the B world.
Love is a house of mirror, don't try to find the door
The way you have to go, don't say if you don't know.

Let me be a B boy, let me be a B girl
Let me be a bee, flying from flower to flower, we can live together.
Let me be a B boy, let me be a B girl
Born to be a B, looking for lover and lover, we can live together.
