

Get Away

Yuck

We break down
I'm gonna break it up again
Me and my guitar,
drowning down,down,down
Ready when the pain kicks in
Tell me when the pain kicks in

Oh I can't get away
Oh I can't get away
Oh I can't get away
No I can't get away

Had a rally with you
That's one thing I wont do
No shadow fuse
from the corner of my home
Ready when the pain kicks in
Tell me when the pain kicks in

Oh I can't get away
Oh I can't get away
Oh I can't get away
Well I can't get away

Someone says get out more,i need you
I want you
I get get this feeling off my mind
I want you
I need you

I can't get away
I can't get away
I can't get away
No I can't get away

Someone says get out more,i need you
I want you
I get get this feeling off my mind
I want you
I need you

Someone says get out more,i need you
I want you
I get get this feeling off my mind
I want you
I need you
