back in june, i'll pull the plug out and push the penny in a poem i am sorry i admit that admit that what i did was wrong

i don't wanna get you down
i just need to be around
treating me so unkind
you are making a milkshake of my mind

in july, i pull the plug out and watch the water wash away i get high to dream and pin out and i get higher everyday

i don't wanna get you down
i just need to be around
baby, you are so unkind
you are making a milkshake of my mind

(aaaaaaaaaaaa)

you are making a milkshake of my mind (a milkshake, a milkshake of my mind)

you are making a milkshake of my mind (a milkshake, a milkshake, a milkshake of my mind)

you are making a milkshake of my mind (a milkshake, a milkshake, a milkshake of my mind)

you are making a milkshake of my mind (a milkshake, a milkshake, a milkshake of my mind)

you are making a milkshake of my mind
