

## Rebirth

Yuck

Hold me down, in the sunlight  
To sacrifice myself  
I want your love I want you  
Slide me down, deep like the ocean  
To contemplate myself  
I don't want your love  
I want you hard , hard  
I want you hard

Dropped in a maze  
Of hopeless abandon  
To understand myself  
I don't want your pain  
I want you  
Sour sound  
Echoes around me  
And breaks me down inside  
I don't want your pain  
I want you hard, hard  
I want you hard

Happy all the time  
Happy all the time

Go down, I'd wanna go down  
Go down, I'd wanna go down  
Go down, I'd wanna go down  
Go down, I'd wanna go down
