

All I Do

Yuna

All I do
Is think about you
Sleep late and wake up then
I'll just stay in my bed
A little afternoon, I'll go get some food
Call up anyone, to go do something fun

Tell me if there is a way
To fall out of love with you
Cause all I do, I do all day
Is missin' my time with you
Now that I don't have you
It's all I do

I'll go to dance
Class ends at 9 pm
I'll go right back home again, oh

Tell me if there is a way
To fall out of love with you
Cause all I do, I do all day
Is missin' my time with you
Tell me what I should do

Now I'm on my knees
I pray that I will be okay
If you're just a memory to me
But still all I do, all day, is livin' a lie
Thinking what it'd be like if you stayed

All I do, yeah
Just think about you

So tell me if there is a way
To fall out of love with you
Cause all I do, I do all day
Is missin' my time with you
Tell me what I should do

It's all I do
It's nothing new
It's all I do
Is think about
