Yuna

There's a place I used to know  
A seed I used to sow  
Sometimes I want to go back  
And give them all I have

Try to show some love

There is a place I need to find  
Need to be there in time  
Don't try to overanalyze  
I'm just a girl fighting her tide

I'm so much stronger  
They will need to listen to what I have to say  
Yeah, there's a bigger sea for a girl like me  
When I come back try to show some love

When I come back try to show some love  
Try to show some love

There's a place I used to know  
A seed I used to sow  
Sometimes I want to go back  
And give them all I have

I'm so much stronger  
They will need to listen to what I have to say  
Yeah, there's a bigger sea for a girl like me  
When I come back try to show some love

When I come back try to show some love  
Try to show some love

Oh they will need to listen, listen

I'm so much stronger  
They will need to listen to what I have to say  
Yeah, there's a bigger war that I'm fighting for  
when I come back try to show some love

When I come back try to show some love  
Try to show some love
