

Maybe There's a World

Yusuf Islam

I have dreamt of a place and time
where nobody gets annoyed
But I must admit I'm not there yet
but something's keeping me going

Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up o world and let me in
then there'll be a new life to begin

I have dreamt of an open world
Borderless and wide
Where the people move from place to place
And nobody's taking sides

Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up a world and let me in
then there'll be A new life to begin

I've been waiting for that moment
to arrive
All at once the palace of peace
will fill my eyes - how nice!

Maybe there's a world that I'm still to find
Maybe there's a world that I'm still to find
Open up o world and let me in
then there'll be A new life to begin

I've been waiting for that moment
to arrive
All at once the wrongs of the world
will be put right - how nice!
