

December Prayer

Yvonne Catterfeld

In the touch of a friend
in the breathe of a child
In the eyes of a soldier coming home
to his mother's grateful smile
In the side of a falling snow
in the memories we breathe
In the season when you find some peace
in the simple tender things
Open your heart and look around
listen listen

Hear the song within a silence
See the beauty when there's nothing there
Sing a song within a silence
that open love all everywhere
And when the quiet night is falling
watch an angel dancing in the air
to the song, the song within the silence

Listen listen

Hear the song within a silence,
See the beauty when there's nothing there,
Sing a song within a silence
that open love all everywhere,
and when the quiet night is falling
watch an angel dancing in the air
to the song, the song within the silence
at December Prayer,
at December Prayer.
