

I Can't Get You Out Of My Mind

Yvonne Elliman

I look at you and you look at me
Trying not to want what can't be
You're with my friend and she holds your hand
Wasn't that supposed to be me

Oh baby, I can't get you out of my mind
I don't know why you came into my life
I can't get you out of my mind
Hard as I try, you're there all the time

You never said and I never asked
How was I to know you weren't free
She spoke of you but I never knew
That the other woman was me

Oh baby, I can't get you out of my mind
I don't know why you came into my life
I can't get you out of my mind
Hard as I try, you're there all the time

Each time I see her now I think of you
I don't know what I'm gonna do
I look into the eyes of someone new
And there reflected is my love for you

Oh, oh, I can't get you out of my mind
I don't know why you came into my life
I can't get you out of my mind
Hard as I try, you're there all the time

I can't get you out of my mind
I don't know why you came into my life
I can't get you out of my mind
Hard as I try, you're there all the time

I can't get you out of my mind
I don't know why you came into my life
