

# Moment By Moment

Yvonne Elliman

Though our love  
Is like a winding road  
Of uncertainty  
I long to trust your smile  
And all the ways you feel  
Touching me

Moment by moment  
Our lifetime goes on  
Till one day  
Our somedays are gone

Look at us  
Two drifters with a dream  
Scared to see it through  
But we're so happy now  
It might be beautiful  
If we do

For moment by moment  
The choices we make  
Depend on the chances  
We take

Oh, for moment  
Moment by moment  
Our lifetime goes on  
Till one day our somedays are gone

For moment  
Moment by moment  
The choices we make  
Depend on the chances we take

Oh, moment  
Moment by moment
