Z-Ro

Say cuz like this here, I'ma stay strapped nigga  
I'ma keep me bitch nigga, ya understand me believe that  
She loves a nigga, real talk nigga  
Make way for a motherfucking gangsta, loc'd up G'd up  
At all motherfucking times homeboy, real talk  
Get it how you live jack, (it's a Big E beat)

I got a gangsta chick, and a classy lady  
I can't decide which one I wanna be with, it's driving  
me crazy  
The one that's good, want me out of the hood  
But the other one be bugging, giving me reasons to keep  
on thugging  
One of my women got big ass breast-s, and wide hips  
The other one is a 40, with a thirty round clip  
She the reason I'm still breathing, y'all know what it  
is  
Yeah I love her, but she can't give me kids  
And she can't run my bath water for me, or roll me a  
cigarillo  
Ain't no sex either, she just gon' lay under the pillow  
But it's still a threesome, cause my other lil' mama be  
in the bed too  
Doing everythang, sexy black gon' do  
But black ain't able, to catch an attitude with me  
Over nonsense, baby argue and act a fool with me  
I need to make a decision, but when  
Cause all I need in this life of sin, is me and my  
girlfriend

(you know I'm down with you, through all the up's and  
downs with you  
I feel like, we can make this work)  
I need to make a decision, I don't know who to choose  
Either way I win, but I still lose heeey  
(baby you know I ride for you, whenever you want me to  
I'm the one that makes sure, you don't get hurt)  
I need to make a decision, I don't know who to choose  
Walking in a regular man's, or a gangsta's shoes heey

She can't do it to you like this, she can't give it to  
you like that  
She can't even let you, hit it from the back  
I'm the reason you can breath easy, I'm the reason  
everybody fear you  
The bitch that won't let trouble come near you  
I'm the one you can lean on, when times get hard  
The one that's trying to bring you closer to God  
Yeah but when it get gangsta, all she gon' do is run  
and hide  
I'ma hold you down baby, just think of me while  
tomorrow die

Stuck between affection, and protection  
My woman and my weapon, this situation's got me  
stressing  
Yeah I'm a Hoover gangsta crip, but I'm a man first

Even still I find myself fingering sexy black, until my  
hand hurts  
Dumping on my enemies, to save my life  
With intentions, on getting laid tonight  
So I guess in the end, all I need in this life of sin  
Is me, and both of my girlfriends

(you know I'm down with you, through all the up's and  
downs with you

Either way I win, but I still lose heeey

Sexy black listen, if the police get you and me then  
I'll end up in prison  
Five years minimum, what they giving  
That's the reason why I chuck you out the window, when  
they pull up on my rear  
Come back and scoop you later, when the coast is clear  
And baby girl, you already know how I feel about you  
Can't picture myself, living without you  
But in this bidness I'm in, it's do or die that's why  
I keep my gangsta bitch at my side, when I ride is you  
feeling me  
Would you rather picture someone killing me  
Three shots to the dome, have you wondering why I ain't  
came home  
For me sexy black is necessary, like commissary when  
I'm in jail  
Cause murderers and jackers, be giving me hell  
So fuck it, let's have a menizzle twizzle  
One of y'all on my left one of y'all on my right, and  
me in the middle  
Something beautiful is about to begin, cause all I need  
in this life of sin  
Is me, and both of my girlfriends

(you know I'm down with you, through all the up's and  
downs with you
