I got diamonds all in my mouth, in my grill and in my jaws
Platinum teeth and princess cuts, my mouth is similar to a disco ball
I'm Paul Wall my smile is blinding, my ice is shining like a chandelier
I tend to brush my teeth with Windex, just so the glass house mouth shine cl

I got mo' karats invested with soup, I'm a Texas icon a People's Champ Put on your shades when I commits to approach, my mouth is eliminating like a lamp

It got gold grills and platinum and ice, cause that's how it is in the Lone Star State

With a cup full of bar in a candy car, and we jamming on a Robert Davis Grey Tape

Ever since 1999, I had diamonds in my grill
You just rapping that ain't platinum, homie you need to chill
Cause you embarrassing Texas, nigga you ain't trill
Nigga you been on my dick, way befo' you got your deal
These rappers finally get some fame, and think they got it locked
After your album flop, nigga you gon be on Koch
My gear clean, from my ear rings to my pinky ring
If you ain't spend thirty, tuck in your piece and chain (Southside)
