

# Look Good

Z-Ro

What's crackin ho  
Yeah you bitch  
Yeah this the same nigga that'll sell blood to a bitch on her period, ya dig  
Rother Vandross  
Hold up touch keep your mother fucking hands off  
Teddy picture gram what they got me on the weekend  
Well if you don't look good then I don't look good  
And that's impossible bitch cuz I'm stunning

If you don't look good  
Then I don't look good  
Now we don't look good, that's right  
If you don't look good  
Then I don't look good  
Bitch you better bring me my cheese  
If you don't look good  
Then I don't look good  
Now we don't look good, that's right  
If you don't look good  
Then I don't look good  
Bitch you better bring me my cheese

I don't love you  
Matter of fact I don't ever think of you  
I can think of better shit for me to do  
Like chasing a million dollars with my mother fucking crew  
I miss my nigga D.J. Screw  
Thirty miles per hour on the freeway fool  
Leaning like we needed VA  
But I always kept my eyes open to make sure we straight  
Now Im the Mo City Don  
I got my crown homie  
Watch your mouth unless you wanna be underground homie  
If this your bitch come get her cuz once I set her down homie  
Then your bitch gone be my bitch all you can do is frown homie  
We can handle this like men or get in to gangster shit  
Five deuce Hoover crip down right I'm a gangster bitch  
Lips, hips and finger tips make a gangster rich  
All these yellow, blue and black diamonds I've sold, thank you bitch

If you don't look good  
Then I don't look good  
Now we don't look good, that's right  
If you don't look good  
Then I don't look good  
Bitch you better bring me my cheese  
If you don't look good  
Then I don't look good  
Now we don't look good, that's right  
If you don't look good  
Then I don't look good  
Bitch you better bring me my cheese

All I want is the money you can keep the rest  
Don't give a damn about which one of ya'll freak the best  
Don't want it in public don't even want no secret sex  
Cash only bitch you fired if you try to give me a check, yeah

My blood homie wanna red bitch  
My loc homie wanna go fed with that head bitch  
Me I want a go get it and come back with the bread bitch  
She want your credit card fuck your bracelet and your necklace  
But she'll rob for that too if you leave it out  
She's a real prostitute her pussy she just leave it out  
Bottom line my ho ain't trying to see me without  
I think there's paper round that corner ho go peep it out  
But I don't love her, I love what she done for me  
Told the pimp police she my sister and hid my guns for me  
She'll shoot it out with me if my enemies come for me  
Bottom bitch get what she want long as she get the funds for me, ya dig

If you don't look good  
Then I don't look good  
Now we don't look good, that's right  
If you don't look good  
Then I don't look good  
Bitch you better bring me my cheese  
If you don't look good  
Then I don't look good  
Now we don't look good, that's right  
If you don't look good  
Then I don't look good  
Bitch you better bring me my cheese

Homie got you walking in some white girl  
Fuck with me I'll have ya looking like one of the Spice Girls  
Ya dead with that nigga with me your living life girl  
Call me the goose, says it's time to get it right girl  
That ain't a thousand dollar bag that's a backpack  
No gorilla pimping ain't gunna do you like cats stack  
That ain't a group of bad bitches that's a rat pack  
Leave the broke ho's where they at and go bring a stack back  
Just don't be kissing on me find a trick and kiss him  
If a bitch paying you take her pussy lips and lick them  
A lot diamonds in his watch but his wrist dim  
You should fuck with me I'm really pimping  
Chilling with my broad and you already know  
When homie I don't love her you can have that ho  
If you paying her money she's coming through your front door  
Then it's back to the south  
It's easy row and shes giving me all the doe

If you don't look good  
Then I don't look good  
Now we don't look good, that's right  
If you don't look good  
Then I don't look good  
Bitch you better bring me my cheese  
If you don't look good  
Then I don't look good  
Now we don't look good, that's right  
If you don't look good  
Then I don't look good  
Bitch you better bring me my cheese
