Z-Ro

They keep on knocking on the do' homie, my phone keep on ringing  
You're so good they don't care if they piss me off, they keep on banging  
So much codeine in this bitch, might as well keep on drinking  
No matter how many times I spray, the hallway gon' keep on stanking  
At 5-50 a bag, I get one of them like everyday  
Fresh pair of 87's 280 bricks, and a V-neck everyday  
When you with Z-Ro it ain't no stealing, we divide what we get everyday  
I'm talking like 4 to 5 to 6 digits, I'm trying to see that everyday  
Them alphabet boys, know how much I paid to get this thang off the lot  
They always talking bout backpacking, gotta keep prestigious whips off the b  
lock  
Y'all stepping n the work like hopscotch, then got the nerve to let it cost  
a lot  
I ball all that and trash it and I sell my shit, now what you call boss or n  
ot

Every other head, is wearing the crown  
Same thing that builds me up, is tearing me down  
I another tax bracket, wearing a frown  
Chasing money all the time, barely around  
I'm just a hustler (yeah), I'm just a hustler (yeah)  
I'm just a hustler (yeah), I'm just a hustler serving my customers  
Serving my customers (yeah), serving my customers (yeah)

Buying cars, like I'm in the drive-thru ordering

All the bitches look good, look like I'm sleeping with all of them  
Patton leather shell toes, leather not pleather bitch  
Y'all niggaz balling for the moment, I am forever rich

Even when I'm not trying to get a bitch, I'ma get a bitch  
Dirty clean clothing, me and Nique I held it every stitch

I am that much of a hustler, personal with my customers  
Ask Bubba ask Frenchie, ask Lin
