

# Family Table

Zac Brown Band

It's just an old piece of wood  
On top of four legs  
It's got a few coffee stains, and a thousand marks from "God knows when"  
Ain't too many thing's, that could stand the test of time  
But this family table's held together by a love that never dies

So won't you come on in?  
Supper's almost done  
Go ahead and call your friends  
'Cause we got room for everyone  
Let's make some memories, 'round this 9 foot pine  
Pull up a chair and stay a while, at the family table  
Family table

It's the corner stone that held us all up  
Through the best of times  
And be that way when times got tough  
We blew the candles out  
In our walk through time  
This family table's, bound together by a love that never dies

So won't you come on in?  
Supper's almost done  
Go ahead and call your friends  
'Cause we got room for everyone  
Let's make some memories, 'round this 9 foot pine  
Pull up a chair, stay a while

Gather round, hand in hand  
Close our eyes and bow our heads  
Thank the lord for everything he's done, and for everyone  
At the family table

So please come on in, when your work is done  
Go 'head and wash your hands  
And gather 'round with everyone  
Makin' memories, 'round this 9 foot pine  
No other place can ease your mind, like a family table  
Family table  
Like a family table  
Family table
