

# I Shall Be Released

Zac Brown Band

They say everything can't be replaced  
And every distance is not near  
So I remember every face  
Of every man who put me here

I see my light come shining  
From the west down to the east  
And any day now, any day now  
I shall be released

They say every man needs protection  
They say every man must fall  
But I swear I see my reflection  
Well, somewhere high above that wall

I see my light come shining  
From the west down to the east  
Any day now, any day now  
I shall be released

Standing next to me in this lonely crowd  
Is a man who says he's not to blame  
But all day long I hear him crying so loud  
Crying out he's been framed

I see my light come shining  
From the west down to the east  
Any day now, any day now  
I shall be released

I see my light come shining  
From the west down to the east  
Any day now, any day now  
I shall be released
