

# Island Song

**Zac Brown Band**

Can anybody here pass me a beer  
And I'mma keep playing this music that you hear  
And if you know the song  
Then come and sing along with me

Walking with the beach to my left  
Sea to my right  
And I'mma get faded at the Tiki bar tonight  
Then I'mma roll one up  
Like my name is Bob  
Yeah I'm gonna party like I'm a Jamaican

If you really wanna know where you can find me  
I'll be unwinding  
Down in the islands, down in the islands  
You should loose track of your timing  
Grab a drink beside me  
Down in the islands, down in the islands

Can anybody here pass me the rum  
And we can find somebody who can play the steel drums  
And if you like this beat then everybody dance with me  
We got the ladies to the left  
Fellas to the right  
And everybody's faded at the Tiki bar tonight  
And we are gonna dance to the rhythm of the waves  
While we drink Bacardi by the bonfire flames

If you really wanna know where you can find me  
I'll be unwinding  
Down in the islands, down in the islands  
You should loose track of your timing  
Grab a drink beside me  
Down in the islands, down in the islands

You don't need no invitation, no  
Whoaaa  
If you're looking for relaxation  
Get away, get away with me  
Make your destination my location

If you really wanna know where you can find me  
I'll be unwinding  
Down in the islands, down in the islands  
You should loose track of your timing  
Grab a drink beside me  
Down in the islands, down in the islands

If you really wanna know where you can find me  
I'll be unwinding (down, down, down, down)  
Down in the islands, down in the islands  
You should loose track of your timing  
Grab a drink beside me  
Down in the islands, down in the islands
