

Quiet Your Mind

Zac Brown Band

I hear the waves
Sun beatin' down on my shoulders
It's a near-perfect day
Wishin' I wouldn't get any older
They say that it's gone 'fore you know it now

Quiet your mind
Soak it all in
It's a game you can't win
Enjoy the ride

I feel the change
Goin' on all around me
It's strange
How I'm taken and guided
Where I end up right I'm needed to be

Quiet your mind
Soak it all in
It's a game you can't win
Enjoy the ride

At the end of the water
A red sun is risin'
And the stars are all goin' away
And if you're too busy talkin'
You're not busy listenin'
To hear what the land has to say

Quiet your mind

I hear the waves
Sun beatin' down on my shoulders
It's a near-perfect day
Wishin' I wouldn't get any older
They say that it's gone 'fore you know it and
Soak it all in
It's a game you can't win
Enjoy the ride
