

# A Night to Remember

Zac Efron

Guess now it's official  
Can't back out, can't back out (no)  
Getting ready for the night of nights  
The night of nights, alright  
Don't Panic (Panic! )

Now do we have to dress up for the prom?  
Dude I don't think we have the choice  
Yeah it's the night of all nights  
Gotta look just right  
Dressing to impress the boys

Do I want classic or vintage or plaid?  
Wheres the mirror?  
I think this tux is too baggy  
Too tight, it makes me look weird.

Should I go movie star glamorous, sassy or sweet?  
Don't know, but no one better wear the same dress as me  
It's the night of our nightmares  
It's the night of our dreams  
It's too late to back out of it.  
Hey, makeovers, massages.  
Don't know what a corsage is.  
Been waiting all our lives for this.

It's gonna be a night (cant wait)  
To remember (aw man)  
Come on now, big fun (alright)  
It's gonna be the night (I guess)  
To last forever (lucky us)  
Well never ever ever forget

Gettin Ready, Get Gettin Ready  
Gettin Ready, Get, Gettin Ready  
(Hey you been in there an hour man)  
So, what should I do with my hair?  
Wheres my shaver?  
Ooh, I love it.  
I look like a waiter.  
Should I fluff it?  
It's get later already should be there.

Her mother opens the door, I'm shakin inside  
He's here, it's time, the hours arrived.  
Don't know why, her fathers staring me down  
Wheres my purse? Lip gloss? Now I'm really freaking out.  
Then something changes my world  
The most beautiful girl right in front of my eyes

It's gonna be a night (Oh Yeah! )  
To remember (that's for sure)  
Come on now, big fun (Alright! )  
It's gonna be the night (Yeah tonight)  
To last forever (forever more)  
Well never ever ever forget.

Whos that girl? (Shes so fine)  
Whos that guy? (I don't recognize)  
Whos that girl? (She looks so good, yeah)  
You'll never really notice, but you probably should

Big fun, on the night of nights (alright)  
The night of nights, tonight  
Lets dance  
On the night of nights  
You know were gonna do it right

It's gonna be a night to remember  
It's gonna be the night to last forever  
It's gonna be a night to remember  
It's gonna be the night to last forever  
(Last Forever)  
It's gonna be our night (you know it)  
To remember (all time)  
Come on now, big fun (big fun)  
It's gonna be the night (love it)  
To last forever (the rest of our lives)  
Well never ever ever forget

It's gonna be our night (oh yeah)  
All together (say it loud)  
Come on now, everyone (that's right)  
It's gonna be a night (yeah tonight)  
To remember (hear the crowd)  
And never ever ever never ever ever never ever ever forget!
