Can I Have This Dance?

Zac Efron

Take my hand, take a breath Pull me close and take one step Keep your eyes locked on mine, And let the music be your guide. Won't you promise me (now won't you promise me, that you'll never for get) We'll keep dancing (to keep dancing) wherever we go next (chorus) It's like catching lightning the chances of finding someone like you It's one in a million, the chances of feeling the way we do And with every step together, we just keep on getting better So can I have this dance (can I have this dance) Can I have this dance Take my hand, I'll take the lead And every turn will be safe with me Don't be afraid, afraid to fall You know I'll catch you threw it all And you can't keep us apart (even a thousand miles, can't keep us apa rt) 'Cause my heart is (cause my heart is) wherever you are (chorus) It's like catching lightning the chances of finding someone like you It's one in a million, the chances of feeling the way we do And with every step together, we just keep on getting better So can I have this dance (can I have this dance) Can I have this dance Oh no mountains too high enough, oceans too wide 'Cause together or not, our dance won't stop Let it rain, let it pour What we have is worth fighting for You know I believe, that we were meant to be (chorus) It's like catching lightning the chances of finding someone like you (like you) It's one in a million, the chances of feeling the way we do (way we d 0) And with every step together, we just keep on getting better So can I have this dance (can I have this dance) Can I have this dance Can I have this dance Can I have this dance
