

# Senior Year Spring Musical

Zac Efron

It's our last chance, to share the stage  
Before we go our separate ways  
High school wasn't meant to last forever  
It's our last chance, for us to shine  
To bring you music one more time  
So come on, come on, come on (Come on, come on, come on)  
Come on, come on, come on

W-I-L-D, Wildcats, you know we are  
W-I-L-D, Wildcats, come on, come on  
East High boys, let's make some noise  
W-I-L-D-, Wildcats, now's the time

This is the last time to get it right,  
This is our last chance to make it our night  
We gotta show what we're all about,  
Team, work together  
This is the last chance to make our mark  
History will know who we are  
This is the last time to make it count,  
It's Now or Never! Yeah!

I Want It All! I want it, want it, want it!  
The fame and the fortune and more, I want it All!  
I want it, want it, want it,  
I gotta have my star on the door  
I want the world, nothing less  
All the glam and the press  
Only giving me the best reviews  
I Want It All, Want It All, Want It All,  
Want It All, Want it All!  
Kick it girls!  
I Want it All, Want it All, Want it All  
Want it All, Want it ALL!  
My band, thank you, East High, you're amazing, good night!

Ooo, yeah, ooh, yeah  
I gotta lot of things, I have to do  
All these distractions, our future's coming soon  
We're being pulled, a hundred different directions  
But whatever happens, I know I've got you  
You're on my mind, you're in my heart  
It doesn't matter where we are  
We'll be alright, even if we're miles apart  
Even if we're miles apart!  
Even if we're, miles, and miles, and miles apart!

All, I wanna do, is be with you, be with you

There's nothing we can do

Eww

I just wanna be with you

Only you

No matter where life takes us, nothing can break us apart

A-a-achoo!

I just wanna be with...

Eww

You!

You know how life can be, it changes over night

The sun even raining, but it's alright

A friend like you

Always makes it easy!

I know that you get me

Every time

Through every up, through every down,

You know i'll always be around

Through anything, you can count on me!

All I wanna do, is be with you, be with you

There's nothing we can do, I just wanna be with you, only you

No matter where life takes us, nothing can break us apart

You know it's true

I just wanna be with you! I just wanna be with you!

The sun will always shine, that's how you made me feel

We're gonna be alright, 'cause what we have is real

And will always be together

All I wanna do, is be with you, be with you

There's nothing we can do, I just wanna be with you, only you

No matter where life takes us, nothing can break us apart

You know it's true

I just wanna be with you!

All I wanna do

All that I wanna do, is be with you!

All that I wanna do, is be with you!

All that I wanna do, I just wanna be with you!

All that I wanna do, I just wanna be with you!

Who's that girl? She's so fine

Who's that girl? I don't recognize

Who's that girl? She looks so good, yeah

Guess we've never really noticed, but we've probably should

Big fun!

On the night of nights, the night of nights, tonight!

Let's dance, on the night of nights, you know we're gonna do it right!

It's gonna be our night!

You know it!

To remember!

For all time!

Surprise!

Big fun!

It's gonna be the night

The best!

To last forever!

The rest of our lives!

We'll never, ever, ever forget!

It's gonna be...

My night!

Oh yeah!

All together!

Say it loud!

Come on now, everyone!

That's right!

It's gonna be the night!

You can bet!

To remember!

Hear the crowd!

And never, ever, ever, never, ever, ever, never, ever, never, ever, ever for  
get!
