

# Start of Something New

Zac Efron

Living in my own world  
Didn't understand  
That anything can happen  
When you take a chance

I never believed in

What I couldn't see  
I never opened my heart

Ohh

To all the possibilities. oooooooh

I know

That something has changed

Never felt this way

And right here tonight

This could be the start  
Of something new  
It feels so right  
To be here with you, ohh  
And now looking in your eyes

I feel in my heart

Feel in my heart

The start of something new

Ohh yeahh  
Now who'd of ever thought that,

We'd both be here tonight

Ohh

Yeah  
And the world looks so much brighter

Brighter brighter

With you by my side

By my side

I know that something has changed  
Never felt this way

I know it for

Real  
This could be the start

Of something new  
It feels so right  
To be here with you, ohh  
And now looking in your eyes  
I feel in my heart

The start of something new

I never knew that it could happen  
Till it happened to me, ohhh yeah

I didn't know it before  
But now it's easy to see, oh

It's the start of something new  
It feels so right  
To be here with you,

And now looking in your eyes  
I feel in my heart  
That it's the start  
Of something new  
It feels so right

So right

To be here with you

Ohhhh  
And now looking in your eyes

(Looking in your eyes)

I feel in my heart

(Feel in my heart)

The start of something new

The start of something new

The start of something newwww
