

# Save Me Sarah

Zachary Richard

How many nights,  
I've wanted to hold you?  
How many times  
Have I waited for your call?

So many days,  
Alone and lonely,  
So many seasons change  
Since you've been gone.

Chorus  
Save me,  
Sarah,  
My wings are broken from the searching for your love,  
I need you tonight.  
Save me,  
Sarah,  
My eyes are blinded from the watching for your love,  
I need you tonight.

Baby please,  
It's a long long journey.  
I'll never make it home  
On my own.

Save me,  
Sarah,  
My wings are broken from the searching for your love,  
I need you tonight.  
Save me,  
Sarah,  
My heart is bleeding from the needin of your love,  
I need you tonight.

Save me, save me
