Take Me Away

Zachary Richard

I've been looking for you all of my life, But I never ever knew it 'til I saw you last night. I can barely tell you how it made me feel. When the world stopped moving and my heart stood still. Take me away. Come on, pretty baby, take me for a ride. You don't have to say it I can see it in your eyes. Standing on the corner of Hiway 93, Here comes the king of Zydeco in a black limousine. Come on, pretty baby, come on take me away. Make love with me baby each and every day. Bridge: This place means nothing to me, Waiting for the end to come. But when I saw you there, I knew, I knew that you had to be the one To make my life worth living, Come on and take me away.
