

# I Thank You Child

Zakk Wylde

All for you  
Everlasting love forever skies of blue  
All in your heart  
Never ending just a means for start

Comfort in your eyes  
For the warmth inside your smile  
Faith's done gone astray  
It was you who made living all worth the while  
I thank you my child  
It was you who made living all worth the while  
I thank you my child

With the touch of your hand  
Amidst confusion I can see enough to understand  
All my fears repressed  
Oh lovin' you child it's the best

Comfort in your eyes  
For the warmth inside your smile  
Faith's done gone astray  
It was you who made living all worth the while  
I thank you my child  
It was you who made living all worth the while  
I thank you my child

You're all and everything to me  
Til the end of times you know you'll always be  
Ain't no second guess  
Oh you put my worried soul to rest
