

# Sold My Soul

Zakk Wylde

Without you woman, by my side  
I'm contemplatin' suicide, torn from all my pride  
Man tells me, son, that ain't the way...  
Gonna make a deal with you child  
Gonna live another day...  
Just sign right here son  
Everything will be all right

Ooooooh - Ain't nothing I wouldn't do  
Ooooooh - All and everything for you  
Ooooooh - Your love is all I know and ever knew  
Ooooooh - Therefore I have sold my soul for you  
Ooooooh... Ooooooh...

I was told by this man it be worth my while  
He'd return me to my woman  
Return me to my smile  
It's all I ask for in this life  
Whatever's wrong, son  
He told me he'd make right...  
Just sign right here, child  
Everything going to be all right

Ooooooh - Ain't nothing I wouldn't do  
Ooooooh - All and everything for you  
Ooooooh - Your love is all I know and ever knew  
Ooooooh - Therefore I have sold my soul for you  
Ooooooh... Ooooooh...  
Ooooooh ...All for you

Just sign right here, son  
Everything going to be all right...

Ooooooh - Ain't nothing I wouldn't do  
Ooooooh - All and everything for you  
Ooooooh - Your love is all I know and ever knew  
Ooooooh - Therefore I have sold my soul for you  
Ooooooh... Ooooooh...
