

# Can't Hold Back

Zara Larsson

This is something new to me, ooh  
I think I miss you everytime you're gone  
And it's so hard to believe, ooh  
You're right here with me all along

Don't know how I could deny  
the magic that I feel when you're near  
It's so clear  
I can't let you walk away  
I need you to stay by my side  
Stay right here

It's too late now  
Think I'm lost in your love  
Your chemistry energy got me feeling the rush

It's too late now  
Got me breathing your love  
There's a fire between us you're filling with your touch

Oh, Oh, Ooh  
Can't hold back, Cant' hold back  
Can't hold back, Can't hold back, noo  
Oh, Oh, Ooh  
Can't hold back, Cant' hold back  
Can't hold back, Can't hold back

Is it true for me, ooh  
You're everything I want and more  
Maybe I was too naive, ooh  
Just so you were just the same before

I still want your mind  
that you never gonna leave my arms, my arms  
'Cause it's right this time  
And I'm gonna show you, you're the one, ooh

It's too late now  
Think I'm lost in your love  
Your chemistry energy got me feeling the rush

It's too late now  
Got me breathing your love  
There's a fire between us you're filling with your touch

Oh, Oh, Ooh  
Can't hold back, Cant' hold back  
Can't hold back, Can't hold back, noo  
Oh, Oh, Ooh  
Can't hold back, Cant' hold back  
Can't hold back, Can't hold back

I don't know what it is  
Just know that I can't hold back  
I don't know where you came from  
All I know is: I'm ready for more  
Ooh, ooh

Don't know where you came from  
All I know is: I'm ready for more  
Ooh, ooh

Don't know where you came from  
All I know is: I'm ready for more

It's too late now  
Think I'm lost in your love  
Your chemistry energy got me feeling the rush

It's too late now  
Got me breathing your love  
There's a fire between us you're filling with your touch

Oh, Oh, Ooh  
Can't hold back, Cant' hold back  
Can't hold back, Can't hold back, noo  
Oh, Oh, Ooh  
Can't hold back, Cant' hold back  
Can't hold back, Can't hold back

Nooo, I can't,  
I can't, I can't,  
Oooh
