

# If I Was Your Girl

Zara Larsson

If I was your girl, I'd give you everything  
If I was your girl, I'd make you happy

I'll help you pick out what to wear  
Run my fingers through your hair  
Maybe I can take it there I can  
Oooooo

I will make you proud I swear  
Every time we go out, yeah  
Never worry about where I am

If I was your girl, I'd give you everything  
If I was your girl, I'd make you happy  
If I was your girl, I'd keep it interesting  
If I was your girl, I'd love you crazy  
If I was your girl

Bring em' out, bring em' out, bring em' out, bring em'  
Oooooooo

Boy I'd hang out with your friends  
Do like I was one of them  
Wouldn't be no problem with me  
Oooooooooo  
Water and your favorite food  
Sit there watch a game or two  
We'd be so damn perfect you'd see

If I was your girl, I'd give you everything  
If I was your girl, I'd make you happy  
If I was your girl, I'd keep it interesting  
If I was your girl, I'd love you crazy  
If I was your girl

Yeah yeah yeah

So we belong together you and I  
We could rule the whole world  
You could have it so much better

If I was your, if I was  
If I was your girl, I'd give you everything  
If I was your girl, I'd make you happy  
If I was your girl, I'd keep it interesting  
If I was your girl, I'd love you crazy  
If I was your girl
