

# In Love With Myself

Zara Larsson

One perfect love so hard to find  
Right in front of me for all this time

When I'm alone my heart explodes  
I've never felt this way

Yeah, I know this is hardcore  
Kind of tricky to explain but I'll walk you to the door  
I'm in love and it's hardcore  
Gonna break your heart, I can't take no more

What can I say?  
I'm in love with myself  
Hope it's okay  
I got swept away  
So, what can I say?  
I'm in love with myself  
Hope it's okay  
I got swept away

Got what I need right here, like that  
Nobody else will ever match, there's no contender

When I'm alone my heart explodes  
I've never felt this way

Yeah, I know this is hardcore  
Kind of tricky to explain but I'll walk you to the door  
I'm in love and it's hardcore  
Gonna break your heart, I can't take no more

What can I say?  
I'm in love with myself  
Hope it's okay  
I got swept away  
So, what can I say?  
I'm in love with myself  
Hope it's okay  
I got swept away

When you're alone, don't think of me  
Go love yourself  
You're cute and all  
Who disagrees?  
When I'm with me, I've never felt this way

Yeah, I know this is hardcore  
Kind of tricky to explain but I'll walk you to the door  
I'm in love and it's hardcore  
Gonna break your heart, I can't take no more

What can I say?  
I'm in love with myself  
Hope it's okay  
I got swept away  
So, what can I say?  
I'm in love with myself

Hope it's okay  
I got swept away
