

Love Again

Zara Larsson

I was lost
Alone in the dark
Broken up
Falling apart
Burning out
No sign of a spark
But thats all
Over now, over now

So I ran
Ran out of ground
It's like the earth
Was pulling me down
A string of hope
Nowhere to be found
But thats all
Over now, over now

My luck has finally turned
My life is a brand new world

Now I've found someone
Who meets a million lights
Who can jump like the stars in the sky
And it feels like I'm starting to love again
Yeah I've found someone
Who can make me shine so bright
Till I'm raised to the Greatest of Heights
And it feels like I'm starting to love again

I got up
and feel on my feet
I'm not afraid
of taking the lead
I'm not afraid,
afraid of a reave
Cuz that's all
over now, over now

Inside a fire burns
My life is a brand new world

Now I've found someone
Who meets a million lights
Who can jump like the stars in the sky
And it feels like I'm starting to love again
Yeah I've found someone
Who can make me shine so bright
Till I'm raised to the Greatest of Heights
And it feels like I'm starting to love again

OoOoOoOH
Yeeeeeah

Love Again

Hey yeah, yeah, yeah, yeah

Hey yeah, yeah, yeah, yeah
Hey yeah, yeah, yeah, yeah

Starting to love again !!
