Drunk

We're so late nights Red eyes, amnesia, on ice Late nights, red eyes, amnesia, I need you Right now I can't see straight Intoxicated it's true When I'm with you I'm buzzing and I feel laced I'm coming from a different phase When I'm with you Another way now Like we're supposed to do Take you to the back now I take a shot for you Wasted every night Gone for every song Faded every night Dancing all night long Drunk all summer Drunk all summer We've been drunk all summer Drinking and flowing and rolling We're falling down We're so late nights Red eyes, amnesia, I need you Right now I'm emotional I lose control, when I'm with you I hope I haven't said too much Guess I always push my luck when I'm with you Another way now Like we're supposed to do Take you to the back now I take a shot for you Wasted every night Gone for every song Faded every night Dancing all night long Drunk all summer Drunk all summer We've been drunk all summer Drinking and flowing and rolling We're falling down We're so late nights Red eyes, amnesia, on ice Late nights, red eyes, amnesia, I need you Drunk, drunk, drunk, drunk Drunk, drunk, (You put your drinks up) Drunk, drunk, drunk, drunk
