

# Rainberry

Zayn

Rainberry, please  
You think I'm on my knees  
But don't you worry  
I know what you don't know oh oh

Don't even start  
The truth won't break my heart  
No, don't you worry  
I already know oh oh

Too many bones inside your closet  
You thought you buried deep  
But they never let me get a minute of peace  
How do you sleep? Ooh

Rainberry  
Falling down your blood-red lips  
Why are your eyes heavy?  
Is there somebody else you missed?  
Tell me what's going on  
Before I go too far  
Said, Rainberry  
Is there somebody else  
Somebody else now?

Dry your eyes  
'Cause it won't work this time  
I already dried mine  
And I won't drown in yours  
Go wash your hands  
But you can't change your past  
Those stories ain't shit now  
You don't mean it, I'm sure

Too many bones inside your closet  
You thought you buried deep  
But they never let me get a minute of peace  
How do you sleep? Ooh

Rainberry  
Falling down your blood-red lips  
Why are your eyes heavy?  
Is there somebody else you missed?  
Tell me what's going on  
Before I go too far  
Said, Rainberry  
Is there somebody else  
Somebody else now?

Rainberry, please...  
Rainberry...  
Rainberry, please...  
Rainberry...

Too many bones inside your closet  
You thought you buried deep  
But they never let me get a minute of peace

How do you sleep

Ooh, Rainberry  
Falling down your blood-red lips  
Why are your eyes heavy?  
Is there somebody else you missed?  
Tell me what's going on  
Before I go too far  
Said, Rainberry  
Is there somebody else  
Somebody else now?
