Oui
Je sens le vent
Je sens la pluie
Ressens la peine

Le sang qui coule dans mes veines
Poursuit sa route
Je suis la mienne

Et c'est si simple de vivre
Et c'est si simple de vivre
Et c'est plus simple de vivre
Que t'aimer

Well it's true
I feel the wind
I feel the rain
I feel the pain
I feel the shame

Same blood running through my veins
Same beating heart
One for each mind

And it's so easy to live
And it's so easy to live
And it's so easy to love
Why don't we

We keep on running on we
From now i'm running away

Life means nothing at all
If I don't fall
In love with you
