All I Need

Zebrahead

Drop the beat! 2 months gone to the day and you were on your way You said that there was nothing I could say. But I got the drop on you I see what you do I just want to say you run me through I don't want to let you leave I don't want to believe that you lied and tried to deceive I'm not going to be alright without you. You Are All I Need! If you're leaving take me with you - J-eah I don't wanna start something new - J-eah Life's a maze, I'm lost without you - J-eah, J-eah I don't wanna take another drink I don't wanna think I Just wanna watch you sink with me Tell me are you free? Now that you got yourself far away from me And I feel like I'm on the ground You're pulling me down When you're gone I can't touch the ground Not gonna be alright Without you You Are All I Need! If you're leaving take me with you - J-eah I don't wanna start something new - J-eah Life's a maze, I'm lost without you - J-eah, J-eah I don't wanna take another drink I don't wanna think I Just wanna watch you sink with me Tell me are you free? Now that you got yourself far away from me And I feel like I'm on the ground You're pulling me down When you're gone I can't touch the ground Not gonna be alright Without you I never saw the day Take a look back and one day you will see You were the one that was meant for me

And all the bad seems to fade away with time

When it's all in your mind And one day when you're face down on the floor I won't be around anymore And I won't care then And I don't care then You walked out You Are All I Need! If you're leaving take me with you - J-eah I don't wanna start something new - J-eah Life's a maze, I'm lost without you - J-eah, J-eah I don't wanna take another drink I don't wanna think I Just wanna watch you sink with me Tell me are you free? Now that you got yourself far away from me And I feel like I'm on the ground You're pulling me down When you're gone I can't touch the ground Not gonna be alright Without you
